MANAGEMENT BOARD

The day-to-day administration of the Company is exercised by the Management Board, which is a collective executive body. The Management Board reports to the Board of Directors and to the General Meeting of Shareholders of IDGC of Centre.

The Management Board of IDGC of Centre has been operating since April 30, 2008.

The competence of the Management Board is stipulated in the Federal Law On Joint Stock Companies, Art. 22 of the Articles of Association of the Company and the Regulations on the Management Board of IDGC of Centre (approved by the Annual General Meeting of Shareholders on June 25, 2015, Minutes No 01/11 dated June 26, 2015).

For details on this document, please visit the Company's website.

MEMBERS OF THE MANAGEMENT BOARD

In 2015, there were the following changes in the Management Board of IDGC of Centre:

- On March 26, 2015, Artem E. Kuranov was removed from the Management Board and Konstantin A. Mikhailik, First Deputy General Director of the Company, was elected into the Management Board;
- On May 28, 2015, Igor V. Maximov was removed from the Management Board and Inna V. Gromova, Deputy General Director for Personnel Management and Organisation Projecting, was elected into the Management Board.

At present the Management Board consists of 7 members. All the Board members are employees of IDGC of Centre and possess the necessary competence and experience to take balanced and competent decisions.

In 2015, the Management Board members didn't make any transactions on acquisition/disposal of shares of the Company. No claims were filed against the members of the Management Board since the Company has been in operation, including in 2015. The members of the Company's Management Board hold no positions in other companies that compete with the Company. There was no conflict of interest in 2015.

REMUNERATION TO THE MEMBERS OF THE MANAGEMENT BOARD

All members of the Management Board of IDGC of Centre are employees of the Company holding key positions and have additional responsibilities besides their employment contracts that pertain to the members of the collective executive body of the Company, which is the Management Board.

The Members of the Management Board receive a monthly remuneration of RUB 15,800 under additional agreements to their employment contracts.

In accordance with the Regulation on the Incentives and Social Benefits for senior managers of IDGC of Centre approved by the Company's Board of Directors, members

of the Management Board are considered to be senior managers.

Senior managers receive bonuses based on the achievement of key performance indicators and the level of such achievement for the reporting period (quarter or year). These key performance indicators are based on the KPI approved by the Company's Board of Directors for the General Director.

For the list of the KPI of the Company for 2015 and their objective values, please see page 35 of this Annual Report.

Amount of remuneration to the Management Board members in 2015

Type of remuneration	Amount of remuneration, RUB thousand (personal income tax included)
Remuneration for participation in the Management Board	924
Salary	60,093
Bonuses	95,485
Total	156,502

In 2015, the members to the Company's Management Board received remuneration for achieving the 2014 KPI alongside with an additional bonus. Compensation of expenses for performing functions of the Board member was not paid.

The total remuneration of the Board members includes the remuneration of the General Director – Chairman of the Board, with the exception of his remuneration for participation in the Board of Directors. This amount is given as part of the information on remuneration of the members of the Board of Directors of the Company.

The Management Board members have neither shares of the Company nor of its subsidiaries, except Alexander V. Pilyugin whose share in the charter capital of the Company is 0.00035% (146,777 ordinary shares).
